

SERMON NOTES: **THE TOUCH OF LOVE**

Text: Luke 5:12-16; Various

Big Idea: Compassion, Healing, and Cleansing were in the simple touch of our Lord. We need to share this touch.

Date: 03-14-2021 Beaver Creek Christian Church

Touch has gotten a black eye as of late but appropriate touch is what the world needs right now. Touch is important for good health. Some scientist and doctors are concerned that some people are starving from a lack of touch. In our sermon today, Jesus gives three types of touch in dealing with a leper. We need to offer this kind of touch to others. Are your ready to touch the untouchables for Jesus.

1. THE TOUCH OF HEALING (Mt 25:31-46; JA 1:27, 2:16-17).

2. THE TOUCH OF CLEANSING (NU 12:1-16; LK 5:12)

3. THE TOUCH OF COMPASSION (CL 3:12; 1 PE 3:8)

The touch of love comes from God. God is great and full of compassion. As Christians, we need to extend this loving touch to others. For those who are not, we invite you to experience the loving touch of God today.
